

Part Number: BUB3BL24

SINGLE STATION ENCLOSURE WITH BUZZER AND ILLUMINATED LEGEND PLATE PG - 9

PRODUCT DATA SHEET - Specifications

Enclosure Material & Fire Rating	ABS-V0 Tough, Impact Resistance & Fire Retardant
Colours	Yellow + Black / Grey + Black
Torque For Fasteners	0.8-1 Nm
Safety	Fully Insulated To Hose Electrical & Electronic Equipment, W.R.T Protection Against Electric Shock
Ambient Air Temperature For Storage	-20° tp 60° C
Ambient Temperature For Operation	-20° to 70° C
Certifications	EN-45545 HL3 RoHS
Features	- Robust & Maintenance Free - Made Up Of Special Fire Retardent Engineering Plastic - Completely Resistant To All Types Of Acids, Alkalis, Salt Etc. - Upto 2 Actuators/Indicators Can Be Mounted On It

Buzzer	Supply Voltage	Current	dB
	10-26 V DC	< 60mA	90dB at 3 meters

Illuminated Legend Plate	Rated Voltage	Rated Current	Material
	24V DC	≤10 mA	Engg. Polymer
LED Indication	Continuous
